

Acceptance Letter

Dear Author(s): Harsan Bruno, Santhosh .S, Sindhukavi S

Paper ID:	B131512020224
Paper Title:	Design and Implementation of Dual Band Reconfigurable Flexible Antenna for Wireless Applications

The above article has been evaluated and **accepted** by the editorial board of 'Blue Eyes Intelligence Engineering and Sciences Publication (BEIESP)' for publication in the '**International Journal of Innovative Science and Modern Engineering (IJISME)**'. The above article can be published in the regular issue of **Volume-12 Issue-2, February 2024**, if the corresponding author submits the supporting documents within the stipulated time. Therefore, submit the following documents online **before 06 February 2024**:

1. **Article Processing Charge (APC):** <https://www.blueeyesintelligence.org/fee/>

Authors should process the Article Process Charge (APC) first and then submit it to the journal through point no 2 (below). As an open-access journal with no subscription charges, APC is payable by the author or research funder to cover the costs associated with publication. This ensures that the article will be published immediately and permanently, free of access to everyone.

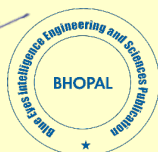

2. **Copyright, APC, and Final Article Submission:** <https://www.blueeyesintelligence.org/copyright/>

- Formatting of the Article: Optional**
The author can submit an article in either single-column format or formatted according to the journal template available at: <https://www.ijisme.org/download/>
- Header, Footers, and Dates: not required**
The journal editors will only edit the article's headers, footers, and dates.
- Author's Profile: Required**
The author profile is mandatory and should include a photo of the author and a minimum of 100 words about the author.
- Reference Citation and Corrections: Required**
Authors should ensure that the references used in the reference section have been correctly cited (used) in the article. The author may improve the article according to the reviewer's comments.
